

Fall '10 Opening Week Schedule Draft Plan #2

Plan in progress. All items, times and locations subject to change.

August 23, 2010, Monday, fall semester begins

Given the critical nature of credit enrollments, Academic Council members have asked that sufficient time be allocated for all faculty to participate in some aspect of Arena Registration. This service expectation will apply to every faculty member.

Other appropriate activities may be scheduled before classes begin but they must be cleared with your Dean to assure that faculty members from every Academic Affairs area will be available to support the registration effort during this week.
