

Fall '10 Opening Week Schedule

DRAFT Plan #4

Fall Semester '10 Opening Week Schedule
(Items in italics have not been approved)

NOTE: *The following is from a previous message that Dr. Dunnington sent to the faculty. If she sends a similar note this year it will be included here. If not, the following will be removed.*

"Given the critical nature of credit enrollments, Council members have asked that sufficient time be allocated for all faculty to participate in some aspect of Arena Registration, and I have approved that request." This service expectation will apply to every faculty member.

Other appropriate activities may be scheduled before classes begin but they must be cleared with your Dean to assure that faculty members from every area Academic Affairs area will be available to support the registration effort during this week.
